

\$300 Sue Be You Scholarship 2026-2027 School Year

This Scholarship continues the LOVE that Sue Marshbanks showed to so many people. Sue lit up the room when she entered, her positive attitude, noncomplaining and it can be done thinking helped many of us to think outside the BOX. She would encourage us to make things happen, helped and brought to our attention for us to see that the smallest thing can change someones situation. She was always about making sure people had the right things to make their appearance okay. Things like new shoes when someone had no shoes for a job interview or new belt etc. Do you know of a student in North County Schools, including charter schools, that has an event, this school year 2026-2027, that could add to their life that does not the right shoes or shirt or . . .
