

# \$600.00 A.V.E.R.Y. Scholarship 2025-2026 School Year

Dear Parent or Guardian,

The Recycling Club in appreciation of someone very special to us who teaches us everyday to LOVE, AND reminds us we are not all alike and that is awesomeness. This scholarship is available to provide to local North Indian River County students including Charter Schools up to the age of 20 years old, who have a current IEP or current 504 plan with IRCSD \$ for something fun in our area. Some suggestions for local fun are ELC, RISE, Special Equestrian, local camps etc. The Recycling Club prefers to sponsor with local organizations but may consider an organization outside of our area. Money will be paid directly to the organization of choice, once scheduled.
