

\$300 SUE BE YOU Scholarship 2025-2026 School Year

This Scholarship continues the LOVE that SUE Marshbanks showed to so many people. Sue lit up the room when she entered and her positive attitude and non complaining it can be done helped many of us to think outside the BOX. She would encourage us to make things happen and helped and brought to our attention for us to see that the smallest thing can change someones situation. She was always about making sure people had the right things to make their appearance okay. Like new shoes when someone had no shoes for a job interview. Or new belt etc. Do you know of a student in North County Schools including charter that is has an event coming up that does not the right shoes or shirt or . . . ?
